RE: Material Sales Agreements 29751, 29761, 29763

Gentlemen:

It has come to our attention that the above referenced agreements of sale were improperly issued for longer terms than the ten year term as provided for by law, A.R.S. 27-251.

Agreement #29751 was issued for thirteen years and agreements #29761 and 29763 were issued for twenty years.

The corrected agreements enclosed are for a ten year period as provided for by law. Please sign and return these water sales agreements, and also please return the original materials sales contracts.

Sincerely,

Barbara Ann Burg
